### Statement of Values and School Philosophy

#### **POLICY PURPOSE**

The purpose of this policy is to outline the school philosophy and values of our school community.

#### **POLICY STATEMENT**

Hawkesdale P12 College is committed to providing a safe, supportive and inclusive environment for all students, staff and members of our community. Our school recognises the importance of the partnership between our school and parents and carers to support student learning, engagement and wellbeing. We share a commitment to, and a responsibility for, creating an inclusive and safe school environment for our students.

The programs and teaching at Hawkesdale P12 College support and promote the principles and practice of Australian democracy, including a commitment to:

- elected government
- the rule of law
- equal rights for all before the law
- freedom of religion
- freedom of speech and association
- the values of openness and tolerance.

This policy outlines our school's vision, mission, objective, values and expectations of our school community. This policy is available on our school website and Compass.

To celebrate and embed our Statement of Values and Philosophy in our school community, we

- display posters and banners that promote your values in our school
- celebrate our values in our school newsletter
- provide awards and recognition for students who actively demonstrate the values
- discuss our values with students in the classroom, meetings and assemblies.

## **VALUES**

**Respect, Responsibility and Resilience** are the core values of this school.

**Respect** for self, respect for others, respect for school and respect for the environment.

**Responsibility** for behaviour and effort.

**Resilience** to cope with the stresses of daily life and bounce back from difficulties faced.

We seek to promote these values throughout the curriculum, in co-curricular activities, and in our daily operations. We explicitly teach social and emotional learning strategies across years F-9 and use the Bounce Back program (a wellbeing and resilience program) to supplement and support this learning. The key concepts of the program are core values, people bouncing back, courage, looking on the bright side, emotions, relationships, humour, no bullying and winners.

## **SCHOOL PHILOSOPHY**

Our school is committed to providing a safe, secure and stimulating learning environment for all students. Students can reach their full educational potential only when they are happy, healthy and safe, and when there is a positive school culture to engage and support them in their learning. Our school acknowledges that student wellbeing and student learning outcomes are inextricably linked. We aim to develop independent learners by using the gradual release of responsibility instruction model. We have high expectations for our students and deliver an intellectually rigorous curriculum with multiple pathways appropriate to adolescents in the 21st century.
